## A Thousand Tongues

Could not express the rapture of Annie E. Springer, of 1125 Howard St., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this royal cure: "It soon removed the pain in my chest, and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will everyone who tries Dr. King's New Discovery for any trouble of the throat, chest or lungs. Price 50c. and \$1. Trial bottles free at B. R. Wilson & Son's drug store. Every bottle guaranteed.

## Capital Removal.

The executive committee of the Capital Removal association, of Ocala, held a very enthusiastic meeting Friday. Secretary Williams read the reply of the committee to the Jacksonville association's letter, in which that body seemed to fail to understand Ocala's proposition. An answer from St. Augustine's association said they were willing to meet representatives of the Ocala Capital Removal association and discuss the project of holding a primary to determine the strongest place east of the Suwannee. Messrs. Phagard, Miller, Sistrunk, Harry Eggleton and Nugent were added to the finance committee, and Mr. Fishel made chairman of the committee, vice D. E. McIver, resigned. Gen. Bullock was called before the committee and detailed the action of the state executive committee at their late meeting in Jacksonville, which was nil.
